Where do I begin...what an amazing journey on this cruise. I highly recommend you try it. It was like having an incredible dream. The crew fantastic, food was always delicious and always very plentiful, drinks, daily journeys, experiences, massage is a must, the warmth the crew had given us, the friendships from around the world....WOW!!! I will never forget this trip and I plan to return with my family next year.

OUR STORY

Sensing the need for a fresh take on cruising, we created Elixir Cruises in the midst of the world pandemic and against all odds. We passionately believed in our vision: to redefine boutique cruising and offer a holistic approach that embraces mind, body, and soul aboard yacht-style havens of comfort and style.

Our vision came to life with the ELYSIUM. Genuinely boutique, combining elegant ambiance, personalised service, authentic experiences and soothing wellness activities, the 25-cabin SOLAS certified Elysium, was launched in 2021.

Onshore excursion

The newest addition to the Elixir family, the 33-meter M/Y GEMAYA features only 5 deluxe cabins which may be booked individually, and offers a unique proposition: a luxury yachting experience, without the hefty price tag.

Both vessels are also available for private charters.

As the name of our company suggests, a journey with us feels like an "elixir of life". Our team will always go above and beyond to make your experience unique and unforgettable. Just let go of your worries and leave everything to us.

WHY US

UNMATCHED CONCEPT

Imagine a week of complete relaxation. The sea breeze on your face, refreshing dips in the water, a soothing massage, a scrumptious BBQ, early morning yoga, immersing into local culture. This is not a cruise as you know it. This is a unique experience that will touch your soul forever. Intimate and truly boutique, like being on a private yacht.

AUTHENTIC JOURNEYS

World known destinations but most importantly secret gems and hand-picked locations await you. We are firm believers of the motto "don't go where the path may lead, go instead where there is no path and leave a trail". This is your chance to feel and be as the locals.

CULTURE, WELLNESS & FUN

Your time onboard and onshore will be filled with unforgettable moments. From visits to ancient ruins untouched by time to Balinese massages and wellness sessions, exhilarating water sports, local dances, workshops, walking tours, experiential events. We give you the choices to tailor make your journey, to make it as active or as relaxing, as sociable or as private as you desire.

TOUCH THE TRUE BLUE

Discover hidden coves and pristine beaches, accessible only by small boat or yacht. Enjoy daily swim stops and simply jump off and take a dip in the crystal-clear waters. Water toys, floats and snorkelling gear make your experience even more fun.

TOP-NOTCH SERVICE

Our team is committed to providing you with top-notch service. We pride ourselves on our crew-to-passenger ratio of 1:2, ensuring that every member on board knows you by name. Each member of our team sincerely cares and will go above and beyond to make you happy, always with a genuine smile.

FOOD FOR THE SOUL

Our farm-to-table dishes are lovingly prepared with the freshest ingredients. Mediterranean delicious buffets, fresh seafood BBQs and local delicacies will excite your palate daily.
